

Water-Wise Gardening

A Free Workshop for Teachers

Don't miss the unique opportunity to learn how to set up a gardening program at your school.

Classes are held at the four-acre award-winning Water Conservation Garden at Cuyamaca College.

Participants will receive a binder with curriculum materials, plant identification guide, children's gardening guide and ideas for starting your own garden at your school.

COURSE CONTENT

- Principles of Water-Wise gardening
- Micro-irrigation
- Managing San Diego soils
- Plant structures and functions
- Low-water-use plants
- Proper planting techniques
- Fertilization, cultivation and maintenance
- Curriculum integration

Water-Wise Workshop for Teachers

Map and directions

DIRECTIONS TO THE WATER CONSERVATION GARDEN AT CUYAMACA COLLEGE

Take Hwy 94 East past Avocado Blvd. in Spring Valley. Continue straight ahead to Cuyamaca College Drive West, which will be the fourth stoplight. Turn left. The garden will be on the right.

DRESS

The class will be held indoors and outside in the garden. Wear comfortable clothing. You may also want to bring a camera.

LUNCH

We strongly urge you to bring your own lunch. There are various fast food restaurants close-by, but time will be limited.
