YOU’RE INVITED to an Open House to learn about construction activity planned this fall for a water pipeline relining project in your neighborhood.

Drop by one of the two open houses and:
- Enjoy a sweet ice cream treat
- Meet San Diego County Water Authority project staff
- Learn project details to help you plan for construction

Join Us THURSDAY at Either Open House!
- Thurs., Sept. 7, 6-7 p.m.
  at the corner of Baltimore Dr. and Ber tro Dr.
- Thurs., Sept. 14, 6-7:30 p.m
  at Aztec Park on Aztec Dr.

Visit www.sdcwa.org/LM-Sweetwater-Relining or call (877) 682-9283, ext. 7005 and provide your email address to receive timely construction updates.

Construction crews will access and reline the water pipe through excavated 25-by-60-foot areas called “portals.” Some lane closures, detours and parking restrictions may occur along Baltimore Dr. during construction. Wooden sound walls will be placed to reduce construction noise.
The San Diego County Water Authority’s Lake Murray to Sweetwater Reservoir Pipeline Relining Project is a $28.6 million project that will rehabilitate and extend the life of more than four miles of aging water delivery pipelines. The project will extend the service life of the pipeline by 50 to 75 years.

FOR MORE INFORMATION
The San Diego County Water Authority is committed to keeping residents and businesses in the project area informed about the project.

For more information, please visit www.sdcwa.org/LM-Sweetwater-Relining, email CIPinfo@sdcwa.org or call the project information line at (877) 682-9283, ext. 7005.
