Upcoming Construction Notice: Water Pipeline Project

The San Diego County Water Authority will soon begin a water pipeline rehabilitation project near you. The project will rehabilitate several sections of large-diameter pipeline and related structures beginning just north of Highway 76, in Valley Center, and ending near Highland Valley Road, in San Diego. Much of the construction work will be underground and within Water Authority rights-of-way or within public streets.

Stay tuned for more information about the project and an invitation to an open house this summer. This project will not interrupt water delivery to the area.

Project Schedule & Work Hours:
Construction Begins — September 2018
Construction Ends — Winter 2020
Monday through Saturday 7 a.m. to 7 p.m.

Contact: For more information, call (877) 682-9283, Ext. 7009, or email CIPinfo@sdcwa.org.
