Anticipated completion in May 2018
Work Hours:
Monday - Saturday, 7 a.m. - 7 p.m.
The San Diego County Water Authority sustains a $222 billion regional economy and the quality of life for 3.3 million residents through a multi-decade water supply diversification plan, major infrastructure investments and forward-thinking policies that promote fiscal and environmental responsibility. A public agency created in 1944, the Water Authority delivers wholesale water supplies to 24 retail water providers including cities, special districts and a military base.
