I. CONSENT CALENDAR
There were no items on the consent calendar.

II. ACTION/DISCUSSION
1. Metropolitan Water District Issues and Activities update.
1-A Metropolitan Water District’s Delegates report.

The delegates discussed Fitch’s recent downgrading of MWD’s bond rating and MWD’s water sales to-date. Director Steiner stated that the MWD board tabled a vote on the termination of funding for Water Authority conservation and local resource programs per MWD’s Rate Structure Integrity provisions. She said that the MWD board approved the sale of discounted local storage replenishment water. The Water Authority and two
other agencies voted against that item. Following the delegates’ reports, directors asked questions and made comments.

2. **Colorado River Programs.**
   2-A Colorado River Board representative’s report.

   Director Knutson stated that with the above-normal snowpack, a 145 percent runoff was projected between now and July into the Colorado River system. He stated that the equalization release of 11.56 maf from Lake Powell to Lake Mead would take place over a period of time.

   2-B Proposed elimination of Colorado River Board in the 2011-12 Governor’s Budget May Revision.

   Ms. Stapleton stated that the Colorado River Board does not receive state funding and if it were eliminated, there would be no savings to the state. She reported that the CRB agencies were working on a response to the Governor’s budget proposal and discussing the possible alternatives in the event that the board was eliminated.
