   Ms. Stapleton provided a presentation regarding a study conducted by the San Diego Taxpayers Educational Foundation.

   Ms. Stapleton stated that upon review of the study’s Executive Summary, which was provided to the Water Authority for review and feedback, staff determined that the majority of key findings and conclusions were incorrect because of computational and mathematical miscalculations that resulted in an exaggeration of the growth of the Water Authority’s labor costs. Ms. Stapleton added the Water Authority would meet with the Taxpayers Association to discuss and attempt to correct the errors. Ms. Stapleton stated it was important for the Water Authority to address these errors because the methodologies and formulas used in the study would likely be used as a template for similar studies the Taxpayers Association was conducting.
on member agencies. Directors asked questions and made comments. Ms. Stapleton provided answers.

   Mr. Volberg made a presentation on SB 931. Director Hilliker moved, Director Dailey seconded, and the motion passed unanimously to adopt a position of Oppose on SB 931 (Vargas).

   1-D Consideration of AB 685 (Eng).
   Staff recommendation: Do not adopt a position on AB 685 (Eng).

   Director Jungreis advised that the Water Authority should be concerned with the bill because it would force agencies to implement measures rather than simply consider them. While well-meaning, the bill had the potential to offset long-established water rights, affect billing practices, and insert uncertainty into every legal dispute concerning water. He recommended an alternative approach, of drafting a letter of concerns raised by ACWA, public agencies, and the military, and seek amendments as well as make contacts with the Legislature and Governor.
Director Wilson stated that the word “affordable” was vague and should be removed.

Director Mudd made the following amended motion, Director Croucher seconded, and the amended motion passed the committee:

Consideration of AB 685 (Eng).
Direct staff to seek amendments to AB 685 (Eng) as follows:

- (a) On and after January 1, 2012, all relevant state agencies, including the department, the board, the California regional water quality control boards, and the State Department of Public Health, shall implement consider this policy upon revising existing, and Upon adopting or establishing new, policies, regulations, and grant criteria—provided that nothing in this section shall authorize the state board to alter its existing policies, regulations and practices relating to the granting, administration, enforcement and statutory adjudication of water rights. Delete provisions relating to “affordability” from the bill.
