II. ACTION/DISCUSSION
1. Update on water supply conditions and drought response activities.

Ms. Friehauf presented updated information on Northern Sierra precipitation and snowpack; State Water Project reservoir levels; Water Authority service area municipal and industrial potable water use; and precipitation outlooks for the next three months. She also reported on the State Water Resources Control Board February 2, 2016, Emergency Regulation.

Staff responded to questions and comments posed by Directors.
* Director Verbeke arrived at 9:10 a.m.

* Directors Arant, Brady and Evans arrived at 9:17 a.m.

Mr. Yamada reported on four of the six main elements that comprise the 2015 Urban Water Management Plan (UWMP). He added that his presentation would contain more updated information than the draft data originally provided in the February 17, 2016, Board packet.

*Directors Watton and Williams arrived at 9:20 a.m.

Following Mr. Yamada’s presentation on the development of the plan’s demand forecast, staff and Dr. Keifer responded to questions and comments posed by Directors.

* Chair Tu arrived at 9:50 a.m.

Following Mr. Yamada’s presentation on the calculations of future conservation savings as well as projected demand, reliability and supply scenarios, staff and Dr. Chesnutt responded to questions and comments posed by Directors.

* Director Muir arrived at 10:00 a.m.

Director Weston suggested it would be of interest if staff would return at a future committee meeting with scenarios calculated on a per capita basis. With respect to the “additional planned supplies” that could result from a proposed Camp Pendleton Desalination Project, Director Madaffer requested staff provide a timeline at a future committee meeting that would show the project’s status in relation to the plan’s projected 2035 and 2040 supply scenarios.

* Director Croucher arrived at 10:15 a.m.

III. INFORMATION

I. **CONSENT CALENDAR**

1. **Grant of Easement across San Diego County Water Authority fee owned property.**
   
   **Staff recommendation:** Authorize the General Manager to grant a permanent easement across San Diego County Water Authority fee owned property, at the appraised fair market value.

   Director Arant moved, Director Olson seconded, and the motion to approve staffs’ recommendation passed unanimously.

   * Director Croucher arrived at 10:54 a.m., after the vote.

I. **ACTION/DISCUSSION/PRESENTATION**

1. **Public works and professional services contract selection process and dollar value limits for Consent items.**
   
   **Staff recommendation:** Continue the current practice of placing public works and professional services contracts valued less than $1 million on the Consent Calendar.

   Mr. Troche began the presentation by introducing procurement methods. Mr. Reed continued the presentation by discussing procurement methods used by the Engineering department, primarily for the capital improvement program. He reviewed processes and methods for Design-Bid-Build contracts including professional service contracts and public works construction contracts as well as Design-Build contracts. Mr. Fisher continued the presentation by explaining the process and methods used by the Operations & Maintenance department for selecting professional services contracts, primarily for technical and maintenance support services. Mr. Troche finished the presentation by displaying all Board approved public works contracts over the past three years. He also reviewed Board communication and California urban water agencies consent calendar practices.

   Director Heinrichs made a motion to amend the staff recommendation to include the following information in all contract related board memos.

   1) Original contract award amount,
   2) Cumulative contract award amount,
   3) Term of contract including dates for all amendments,
   4) Statement of whether the contract amount was originally budgeted, and, if not, staff’s proposal for funding the contract,
   5) Explanation when the contract is recommended for sole source,
   6) When applicable, a description of the bidding process and how the proposed vendor placed in relation to others for low bid, and
   7) SCOOP metrics

   Additionally, Committee and Board Officers may, for any reason, direct staff to remove an item qualifying for the Consent Calendar during pre-brief meetings.
Director Heinrichs moved, Director Ayala seconded, and the motion to approve the amended recommendation passed unanimously.

2. Capital Improvement Program construction cost update.

This item was continued until the March 24, 2016 meeting.

III. INFORMATION

ADDITIONS TO AGENDA
There were no additions to the agenda.

PUBLIC COMMENT
There were no members of the public who wished to speak.

CHAIR’S REPORT
Chair Watton reported on shortage predictions on the Colorado River, noting that there would be no shortage in 2016, but Reclamation projected a 17-37% chance of a first tier Lower Basin Shortage in 2017, with projections increasing to 60% for 2018-2020. In accordance with the 2007 Interim Guidelines and Minute 319, a first level shortage in 2017 would result in a cutback to Arizona, Nevada, and Mexico.

He announced that improved February 1, 2016 snowpack conditions resulted in Department of Water Resources increasing the State Water Project allocation from 15% to 30%.

Chair Watton also reported that MWD held two meetings on its proposed biennial budget for fiscal years 2017 and 2018, and associated rates and charges for calendar years 2017 and 2018. MWD would hold a public hearing on budget and rates, and suspending the ad valorem tax rate limitation, at its March 8, 2016 Board meeting. The hearings would be held before MWD provide a cost of service report, which is necessary to understand MWD costs allocation and proposed rates.

* Supervisor Roberts arrived at 1:23 p.m.
