We Need Your Email Address!
Lake Hodges Projects information is Going Green.

$50 Gift Card Drawing!

We’re conserving paper and our natural resources. Future Lake Hodges Projects community notices will be sent electronically ONLY.

Sign up to receive Lake Hodges Projects community update letters and notices by email. You can also select to continue receiving materials by postal mail. See reverse side for details.

Contact us by February 28 with your email address and be eligible for a $50 gift card drawing.

Don’t delay – contact us today!

The Water Authority is a public agency serving the San Diego region as a wholesale supplier of water. The Water Authority works through its 24 member agencies to provide a safe, reliable water supply to support the region’s $171 billion economy and the quality of life of 3 million residents.
We’re Going Green and Conserving Natural Resources!

Sign up today so we can add your email address to the project electronic distribution list.

Provide us with your email address by February 28 and be eligible for a $50 gift card drawing. We will randomly draw two winners from the list of email addresses.

We need to hear from you by February 28 to keep you updated on the Lake Hodges Projects. If you prefer to continue receiving notices through the U.S. Postal Service, please let us know and we will mail project information to you.

Contact us in one of three ways:

1. Visit the Emergency Storage Project section of the Water Authority’s website at cip-esp.sdcwa.org. Click on “Lake Hodges Projects.” Put your email address in the area noted “Enter your email address to receive project updates.” Then, click the “Go” button and your email address will automatically be added.

2. Email us at ESPinfo@sdcwa.org. Specify if you prefer to receive future information by email or by U.S. Postal Service. Be sure to provide all of your contact information and mention the Lake Hodges Projects.

3. Call toll-free (877) 426-2010. Leave a message and indicate if you want to receive future information by email or U.S. Postal Service. Clearly and slowly spell your name and address and mention the Lake Hodges Projects.

Information about the Lake Hodges Projects is also posted on the Water Authority’s website at cip-esp.sdcwa.org, click on “Lake Hodges Projects.”

The Lake Hodges Projects are part of the Emergency Storage Project, a system of reservoirs, interconnected pipelines, and pumping stations designed to make water available to the San Diego region in the event of an interruption in imported water deliveries.

Your information will not be shared or sold.
