The San Diego County Water Authority is planning a new project to construct a large-diameter pipeline within its easement, which crosses through the Scripps Nob Hill area of Scripps Ranch.

Public meetings will be held on April 2, April 4 and April 24, 2013, to share more about this planned project. Please mark your calendar and join us at any of these meetings to learn more. Additional information on reverse.
Upcoming Public Meetings

The San Diego County Water Authority invites you to attend any of the following public meetings to learn more about the planned Nob Hill Pipeline Improvements Project:

- **April 2, 7 p.m.:** Miramar Ranch North Planning Committee  
  Scripps Ranch Community Service Center, 11885 Cypress Canyon Road

- **April 4, 7 p.m.:** Scripps Ranch Planning Group  
  Scripps Ranch Library, 10301 Scripps Lake Drive

- **Public Scoping Meeting – April 24, 4:30 to 7:30 p.m.**  
  Scripps Ranch Library, 10301 Scripps Lake Drive

Attend the scoping meeting at any time to learn more about the project and submit your comments for the EIR.

Project Overview

The new pipeline will be at a lower elevation, replacing a segment of two existing pipelines at a high point in Nob Hill. It will improve the Water Authority’s ability to operate and maintain its pipelines and structures, eliminating the potential of a future uncontrolled release of water in this area. An Environmental Impact Report will be prepared for this project, with public meetings to occur as noted above. Construction is expected to begin in mid-2015. We will continue to keep you updated on future activities associated with this project.

Questions & Comments

If you have any questions or comments regarding this project, please call the toll-free project information line at **877-682-9283, Ext. 7003**, or email **CIPinfo@sdcwa.org**.
