

**LEAVES**

# Large Landscape Assistance Programs

Large commercial properties throughout San Diego County can take advantage of enhanced rebates, irrigation surveys and incentives for your landscape with **LEAVES** (Landscape Efficiency And Value Enhancement Solutions).

San Diego County Water Authority's exciting new LEAVES program will help you use water wisely, comply with new State laws, and beautify your landscape.

Funds are limited and on a first come, first serve basis – so act quick!

## Enhanced Rebates for Irrigation Devices:

- Smart Controllers \$60/station\*
- Rotating Nozzles \$6/head\*
- Rotors \$18/pair\*

For more info or to apply, visit:

[SoCalWaterSmart.com/en/commercial](http://SoCalWaterSmart.com/en/commercial)

## New Rebates for Irrigation Devices:

- Flow Sensors \$120/sensor
- Master Valves \$500/valve
- Drip Irrigation \$1/linear foot (up to 10,000 LF)

For program details and application, visit

[SDCWA.org/Conservation](http://SDCWA.org/Conservation)

\* Rebates are up to the cost of the device

## Free Landscape Surveys:

Schedule a free evaluation of your property's irrigation system and receive recommendations to improve it. Visit:

[BeWaterWise.com/water-efficiency-surveys.html](http://BeWaterWise.com/water-efficiency-surveys.html)

## Turf Removal Rebate:

\$2 to \$5 a square foot to remove your grass and plant a water smart landscape. Visit:

[SoCalWaterSmart.com/en/commercial](http://SoCalWaterSmart.com/en/commercial)

**These generous rebates are for a limited time. Apply now!**

For additional rebates in San Diego County's Unincorporated area:
