### Special Rebates for Irrigation Devices

For other rebates, visit [SoCalWaterSmart.com](http://SoCalWaterSmart.com)

#### Rebate Amount

Product	Rebate Amount (*up to the cost of the device, tax not inc.)
Master Valve	\$500*
Flow Sensor	\$120*
Drip Irrigation (in line encouraged, point source needs pre-approval)	\$1.00/linear foot (for 1 <sup>st</sup> 10,000 feet) \$0.50/linear foot (for 2 <sup>nd</sup> 10,000 feet) \$15,000 max per project
Drip Eco-Indicator 6" pop-up	\$15*
Drip Eco-Indicator 12" + pop-up	\$20*

#### Master Valves

Manufacturer	Product
Buckner/Superior	3100 Series
Buckner/Superior	3200 Series
Buckner/Superior	3100PRS Series
Griswold Controls	2000 Series Heavy Duty Irrigation Valves
Hunter	PGV Series
Hunter	PGV-ASV Series
Hunter	ICV Series
Hunter	IBV Series
Rain Bird	EFB-CP Series
Rain Bird	300-BPES
Rain Bird	HV & HVF Series
Rain Bird	DV/DVF Series
Rain Bird	PEB/PESB Series
Rain Bird	PESB-R Series
Rain Bird	EFB-CP Series
Rain Bird	300-BPES
Toro	TPV Series
Toro	250/260 Series
Toro	254/264 Series
Toro	252 Series
Toro	P-220 Series
Toro	220 Brass
Toro	P-220S Scrubber Series

# SDCWA - LEAVES Eligible Products List

## Flow Sensors

Manufacturer	Product
Badger Meter	Impeller - Series 228PV PVC Tee Industrial Flow Sensors
Badger Meter	Impeller - Metallic Tee Type Flow Sensors - Series 250
Creative Sensor Technology	FSI T Series PVC Flow Sensor
Creative Sensor Technology	FSI B Series Brass Flow Sensor
Data Industrial & Flomec	Various models/series (confirm device before submitting)
Hunter	Hunter Flow-Sync (wire or wireless options)
Hunter	Hydrowise HC Flow Meter (wire or wireless options)
Rain Bird	Brass Tees
Rain Bird	FS100B, 150B & 200B
Rain Bird	Plastic Tees
Rain Bird	FS100P, 150P, 200P, 300P & 400P
Toro	TFS Flow Sensors

## Drip Irrigation & Indicators

Drip Irrigation
Netafim – Techline ½”
Hunter – HDL Inline emitter tubing ½”
Rainbird – Inline emitter tubing ½”
Rainbird – Blank distribution tubing ½”
Program details: ½” inline drip only (no ¼”). Upgrade from old ¼” tubing to ½” tubing.

Drip Operation Indicator
Hunter – Eco-ID-6”
Hunter – Eco-ID-12”
Rainbird – OPERIND – 6” Pop-Up Visual Indicator Kit

The San Diego County Water Authority’s LEAVES program manager will make the final determination on various makes and models not found on this eligible products list.
